BUSINESS VISITATION PROGRAM

Over the past few months, SEDCO and the Scarborough Community Chamber have been participating in a Business Visitation program around Scarborough. Approximately 200 businesses around town have been contacted to participate. The program will soon be wrapping up, so if you are a business that has been contacted by one of SEDCO or the SCC's volunteers, please consider taking 15 minutes to meet with them to discuss doing business in Scarborough. If enough useful information is gathered, SEDCO and the SCC will then try to effect positive change in town for Scarborough businesspeople. We can't do it without your assistance. Contact 883-4893 for more information. Thank you!
